Review of Villa Del Sol Restaurant

My family and I went to Villa del sol , an Argentine restaurant. This restaurant is located at 434 Grand Ave, South San Francisco, CA 94080 The restaurant has an excellent menu with several choices of food. We ordered empanadas, stuffed with chicken and cheese as a starter. For the main course, we ordered barbecued chicken and beef, For dessert, we had alfajores. The alfajor is a cookie filled with dulce de leche. This restaurant has good customer service, and the service people are very friendly. This restaurant has 4 stars. I recommend this restaurant, it is a very pleasant restaurant and a great place for family gathering.
